

My girls and I are so grateful for having Mary Ellen work with us to find a home. Mary Ellen is attentive to detail and left no stone unturned in our search for a home. She tailored our search to exactly what my family needed and anticipated other details in a home we would want.

She is a very caring individual and made my family a priority. She was very efficient and was on the ball when it came to viewing listings that would suit our needs.

You will not be disappointed working with Mary Ellen.

She runs her business with integrity and puts her clients first.

Thank You from Ava, Mia and Denise
