

I would like to thank Mary Ellen for helping me with the sale my house. I chose Mary Ellen as my real estate agent because I knew her to be very trustworthy, organized and very hard working.

Mary Ellen was keen to show a good working relationship with me and always had my best interest at heart.

Mary Ellen went out of her way to take great care of my house and with her dedicated team of stager, photographer and videographer showcased my house in a manner that very successfully highlighted its features.

Mary Ellen is very conscientious and detail oriented. I really appreciated her ongoing feedback and expertise in the area of housing market.

She kept me informed of showings and prospective buyers and went above and beyond her call as she helped me with my move when I was out of town. Mary Ellen is the person you can count on!

I highly recommend Mary Ellen as your real estate agent! Mary Ellen is a very honest, kind and punctual person. You will not be disappointed!
