

We purchased a home and sold ours in 1.5 weeks, thanks to Mary Ellen Weatherhead. The assistance and support of Mary Ellen Weatherhead has been amazing!! Mary Ellen is an accountant and has her mortgage license and real estate license. Her knowledge and expertise, her explanation of everything, were all invaluable as we ventured forth on our adventure of purchasing a home and selling ours. We cannot thank you enough Mary Ellen! Your expertise, support, kindness, and patience was so appreciated! We highly recommend you to anyone wanting to sell or purchase real estate.

You are an amazing person Mary Ellen, and one I want to have as a friend. I hope we can remain friends for many years. Blessings to you and your family. You have been such a port in the storm for us.

With such gratitude,

Charlene and Mike Gebauer
