

"What can I say about Mary Ellen that probably hasn't been said already a thousand times over. Amazing is the first word that comes to mind. From her professionalism in how she treats her customers and clients to her kind and caring personality, Mary Ellen did her best providing us with her knowledge and enthusiasm. She not only met but exceeded our expectations when it came time to sell our home. Mary Ellen goes over and above any other real estate agent I have met to help her clients get the most selling value. The extras she includes - such as helping with the cost of painting, pre-home inspection, storage to declutter, staging - doesn't even come close to the effort she puts forth into building the relationship with her clients. We still can't believe the amazing job she did. We kept joking with her to "she me the money" and guess what.... she did that and more. Thank you from the bottom of my heart."
