As we all know, moving is a highly stressful time in our lives and Mary Ellen helped us through it every step of the way. Her willingness to go above and beyond will never be forgotten. Not only did Mary Ellen provide us with a storage unit and U-Haul for our use, but she also staged our home beautifully to appeal to today's market. She consulted us as a family and made sure that we were comfortable with any suggestions she had for improving the value of our home. She explained her reasoning and let us have the final say in choosing Plan A, B or C. We still felt like a huge part of the process entrusting our home to Mary Ellen and her expertise 100%. We understood we had to leave our emotional connection to our home "at the door" and let the professionals do what they do best. This meant Mary Ellen was able to sell our home to the right person, for the right price at the right time! (Only 8 days on the market!) Now we can move on to the next exciting chapter in our lives and a young and growing family will occupy this home and we couldn't be happier 😊
