It was such a pleasure to work with Mary Ellen Weatherhead, Makey Real Estate Inc. Buying from out of town, she really made the drive well worth it. Mary Ellen is informative, professional and very organized. Her pleasant personality made the whole buying process smooth and fun. With her awesome expertise, we were able to find the perfect home within one day!! We even received a rebate on commission! I highly recommend Mary Ellen to anyone looking to buy or sell. Thanks for the outstanding service!
