

Mary Ellen is an absolute dream to work with! We were nervous entering the market during such a busy time (and with a baby on the way!), and Mary Ellen made it such an enjoyable process.

We had no idea what kind of a market we were getting ourselves into. Finding a house turned out to be a longer process than we originally thought, but Mary Ellen kept us laughing and our hopes high that we would find our perfect home (and was she ever right!!).

You can tell right away that Mary Ellen has a passion for what she does, and she goes above and beyond. Mary Ellen staged our house beautifully before pictures and walk throughs began.

Throughout the entire process we felt safe and taken care of by Mary Ellen. We trusted her and often asked for her opinion on what she thought a house was going to sell for, and if it was worth it.

I couldn't imagine going through this process with anyone else! We are so happy that Mary Ellen helped us find our forever home to raise our family in.
