

62 Darlison, Thamesford ON

Mary Ellen provides excellent service, along with going way beyond what is required to help sell your home. She provided painting, staging and use of a storage locker for three months in assisting us. A dedicated hard working individual who really cares about her clients, who will go that extra mile for you.

We sold our home above list! In this crazy market we were able to purchase a home on the first attempt to offer and we were happy with the price we paid. We would not hesitate to recommend Mary Ellen Weatherhead to all our friends and family. Highly recommended!
