

We have just sold our home with Mary Ellen Weatherhead, Makey Real Estate Inc. Brokerage.

Greeting Mary Ellen at our front door she instantly became like family with her friendly smile and knowledge of the real estate business. From coming in with her crew painting and staging our home and putting all the final touches in place our home sold in a few short days. I have never had a realtor offer the services that she offered. Mary Ellen is truly one of a kind, not only as a realtor but as a kind caring woman. She will have only you in mind when you list your home with her. Be sure to enlist her as your next real estate salesperson.

As her slogan says "The Weather You Can Trust".

A special thank you to her lead painter/designer, Neta Wilkinson.

292 Broadview Ave Woodstock
