

Hands up Mary Ellen Weatherhead is the best! She sold our rental property here in Woodstock , and we cannot praise her enough. The service that Mary Ellen provided by using part of her commission to paint our house from top to bottom, and also do the landscaping helped us out tremendously. It was in pretty rough shape when we first had Mary Ellen over to look at it, and when we were finished it looked fantastic. She went above and beyond to make us happy, but also the new buyers got a beautiful home.
