

I am so glad that I took the advice of a relative in seeking out Mary Ellen as a realtor!

Mary Ellen is extremely competent and professional. She is highly knowledgeable in her field and willingly gave me sound advice on how to sell my property at its best. Most important of all is that Mary Ellen is an individual of integrity who truly cares about her clients. Here are the highlights of Mary Ellen's hard work and dedication to sell my property.

- Provided services for things such as painting and gardening.
- Provided a storage unit.
- Helped move and transport boxes to storage unit.
- Staged house.
- Provided excellent photography service.
- Stayed in regular communication with me throughout the whole process.

Moving is always a stressful time but Mary Ellen's kind, approachable and unflappable manner definitely made a difference in my experience. I highly recommend her as a realtor!!!

Thank you from the bottom of my heart, Mary Ellen, for going above and beyond all expectations. It was a pleasure to work with you.
