

1063 Nellis Street Unit 12

Well, I just sold my condo with no small help from my realtor Mary Ellen Weatherhead. This was my first time as a seller thru a real estate firm as my last was completed privately. Mary Ellen offered her expert advice in the decluttering process, as well as attractively staging my condo. I almost didn't want to move because it was so beautiful! She even loaned me a bit of her muscle by moving some boxes for me which was so much appreciated! Most importantly she was always ready with her honest advice and worked tirelessly to get the best offer for my home. Her integrity and work ethic are beyond reproach. I would highly recommend Mary Ellen Weatherhead to manage any of your real estate dealings for the future because she is a real pro. Thank you!
