

We can't say enough positive things about our experience with Mary Ellen. Her professionalism, expertise, and dedication to her clients are truly unmatched.

Our house sold in just two days! Yes, you read that right—two days! It was like a whirlwind of efficiency and excitement. Mary Ellen knew exactly how to market our property to attract the right buyers, and her strategic approach paid off! Not only was it quick but we also got over our asking price which isn't necessarily the norm right now.

But it didn't stop there. Not only did she help us sell our home quickly, but she also helped us find our dream home in no time at all. Within a week, we were closing the deal on a new house that ticked off every item on our wish list. Her knowledge of the market and understanding of our needs ensured that we didn't waste any time in finding the perfect home for our family. Oh, and we managed to get our new home under the asking price!

Throughout the entire process, Mary Ellen was incredibly responsive, always available to answer our questions and address any concerns. Her attention to detail and personalized approach made us feel like we were their top priority every step of the way.

The crazy thing is all this expertise and skill comes at a discount with her lower realtor fees and rebate. She should be charging more and would be worth every penny!

If you're looking for a real estate agent who will go above and beyond to exceed your expectations, look no further than Mary Ellen. Her commitment to excellence and unmatched results make her the clear choice for all your real estate (and tax preparation) needs. We couldn't be happier with our experience, and we wholeheartedly recommend her to anyone in search of a top-notch agent.
