

I have known Mary Ellen for many years. A few years ago, I saw firsthand her dedication to a client as she helped stage, repair and renovate their home to sell. She was successful and her client was very pleased with her hard work.

I called on Mary Ellen because I knew she would work hard for me and would help me get the home I wanted. I was at a stage in my life where I wanted my own space. Within a month, my home was sold and my new "forever home" was purchased. Mary Ellen was always there for me every step of the way. Didn't matter what question I had, she answered me, advised me when she could, and was always looking out for my best interest.

I would highly recommend Mary Ellen as you search for your next home. Good luck!!
