Working with Mary Ellen was a true pleasure from start to finish. She was kind and helpful throughout the entire process of both buying and selling our home. Her quick responses to our requests and questions made us feel supported and made everything go smoothly. Mary Ellen was knowledgeable and professional, keeping us informed and comfortable with our decisions. Her dedication and attention to detail were much appreciated, and her lower commission rates and buyer's rebate meant we paid less in fees and saved more money. 😊 We highly recommend Mary Ellen to anyone looking for a reliable real estate agent.
